Ashland University Honors Program
Honors Contract Course

To fulfill the Honors elective requirement, an Honors student may add-on one credit to two upper level courses within his/her major by completing additional work beyond the normal requirements and expectations of the courses. The additional work should focus on inquiry, discovery, and critical thinking, important skills the student will need as he/she works on the Honors Capstone Project.

Student’s Name:_____________________________    Student #____________

Course Number, Section, and Title:______________________________

Instructor’s Name:__________________________    Semester/Year:__________

Describe as fully as possible the additional work or project the student will complete in order to receive Honors credit for the course listed above and an additional academic credit from Ashland University. Sheets may be attached to this contract as needed to fully describe this work.

Student’s signature________________________________________    Date:_______

To the Instructor: Your signature below indicates that you agree the proposed additional coursework merits one academic credit upon its successful completion and that you will supervise this coursework.

Instructor’s signature______________________________________    Date:_______

Honors Program Director’s signature:________________________    Date:_______

The above signatures must be obtained prior to the end of the 1st week of class.
