The Critical Cultural Inquiry (CCI) requirement can be completed by either one value-added foreign language course, an approved study-away or study abroad experience, or one CCI course. One slot should be allotted for CORE/CCI, but students completing the requirement with study abroad, can substitute an elective if necessary to reach 120 hours. If students are continuing a language study, it is preferable to take the course during the first semester of the first year.

If students opt to Study Abroad for a semester, it is recommended that they do so during their sophomore or junior year in consultation with the department chair. Some theatre courses are offered every other year and some also have prerequisites. Students are advised to create a degree plan during their first year and use it as a guide for registration. This curriculum guide includes 12 hours of general electives.

# While only 4 semesters of University Choir are required for the minor, students receiving a music scholarship are required to participate every semester.
