Social Work courses are **boldface**; prerequisites are in *italics*. Some prerequisites also fulfill core requirements for liberal arts degree.

* The Critical Cultural Inquiry (CCI) requirement can be completed by either one value-added foreign language, an approved study-away or study abroad experience, or one CCI course. One slot should be allotted for CORE/CCI, but students completing the requirement with study abroad, can substitute an elective if necessary to reach 120 hours. If students are continuing a language study, it is preferable to take the course during the first semester of the first year.
