IMPORTANT NOTES:

- Program Checksheets completed prior to an individual's acceptance to the university are nonbinding and unofficial. The student’s Program Checksheet is simply a list of the required courses for the degree or licensure. If the individual’s application to the university is not submitted and approved within one semester of the date on the Checksheet, or the requirements for a given program have changed, he or she will be required to sign a new Program Checksheet. It is the student’s responsibility to notify the university should he or she change from one degree, licensure, or endorsement program to another or add an additional program.

- It is the student’s responsibility to submit all appropriate transcripts required for transfer credit. This should be completed within the first semester. Transfer credit noted on a Program Checksheet is not official until it has been reviewed and approved by the Office of Records and Registration. The student needs to monitor the status of his or her transfer credit.

- Students are to contact the Financial Aid Office when a change in the program occurs. Changes may result in an increase in the number of hours required to complete a program and may result in potential changes in financial obligations due to a change in the academic program.

- QUALIFYING TEST SCORES FOR PROGRAM CANDIDACY:
  To be officially admitted to the Teacher Education Bachelor’s Plus program, students must satisfactorily complete one of the following College of Education Test Requirements.

  - ACT minimum sub scores of: Math 18, Reading 20, Writing (English) 19
  - SAT minimum sub-scores for tests taken prior to March 2016: Math 500, Critical Reading 490.
  - SAT minimum sub-scores for tests taken after March 2016: Math 520, Critical Reading 530.
  - Praxis Core Tests: Students not meeting the ACT/SAT sub-scores requirement must take the corresponding Praxis Core test and achieve the minimum COE Praxis Core test score: Math 152, Reading 156, Writing 162. Students may retake any section(s) with scores below the minimum. Registration and preparation material for the Praxis Core tests are available at ets.org/praxis.
  - ACT/SAT/Praxis Core test scores should be submitted directly to Ashland University or the student must provide an official copy of test scores to the appropriate office.

- Students must have been accepted as candidates in the program prior to registering for a field experience.

I have reviewed all pages of this document with the individual requesting this Program Checksheet.
