2019-2020

EARLY CHILDHOOD INTERVENTION SPECIALIST
with an Additional License in
EARLYCHILDHOOD EDUCATION (PREK-3)
Academic Plan

Introduction to the Student:

Welcome to Ashland University Teacher Education. You have expressed a desire to matriculate in one of our licensure programs. There are four categories of expectations during your time in teacher education:

- Institutional Core Requirements
- Major Course Requirements
- Teacher Education eligibility requirements
- Teacher Education field and clinical requirements

This plan outlines those expectations in each of those categories. In addition, the plan provides teacher education or university offices where you can get further clarification. It is your responsibility to understand all expectations and work closely with your advisor in order to successfully fulfill these expectations.

Please keep a copy of this plan in your records and keep it continually updated. You **SHOULD** bring your copy with you when you meet with your advisor or other department personnel.

Introduction to the Faculty Advisor:

- At your first meeting with the student, please distribute a copy of this plan to the student.
- The student **SHOULD** sign and date the official plan upon its receipt.
- Continue to update the plan as the student proceeds in the program.

If a student is changing his or her licensure area (and, hence, their plan) please follow the verification procedure, below, and be sure the new plan is filed in the student's cumulative file along with the old plan.

VERIFICATION OF RECEIPT:

I have received a copy of this academic plan, and I understand that if I change my licensure area I will have to obtain the appropriate plan from a Teacher Education department office.

Policies related to Maintaining Good Standing in the Teacher Education Program:

1. The student is expected to achieve a minimum 2.5 grade point average (cumulative, content, and professional GPA)
2. If, at any time, the student's cumulative, content, or professional GPA falls below the 2.5 requirement, the student must meet with his or her faculty advisor and complete the "Student Interview and Action Plan Form." This form requires that the student meets with their academic advisor and develop an action plan. This form is to be signed by the student, faculty advisor, and the department chair. This form is to be kept by the faculty advisor and a copy is to be submitted to the Director of Quality Assurance and Accreditation in the College of Education
3. A grade of C or higher is required for all courses required for the Licensure Program.
(Courses not required for the Licensure Program are not subject to this requirement.) Any teacher education student who receives a grade lower than a C must retake the course. (For ECE and ECIS this also includes PSYC 264.)

Admission to Field Experiences:

All education students are required to complete the field experiences as determined by their licensure prior to their student teaching. The departments have established an excellent working relationship with area schools to provide these experiences. Before registering for the first field at Ashland University, students must satisfactorily complete one of the following:

1. College of Education Test Requirements.
 - a. ACT minimum sub scores of: Math 18, Reading 20, Writing 19
 - b. SAT minimum sub-scores for tests taken prior to March 2016: Math 500, Critical Reading 490.
 - c. SAT minimum sub-scores for tests taken after March 2016: Math 520, Critical Reading 530.
 - d. Core Tests: Students not meeting the ACT/SAT sub-scores requirement must take the corresponding praxis Core test and achieve the minimum test score: Math 152, Reading 156, Writing 162. Students may retake any section(s) with scores below the minimum. Registration and preparation material for the Core tests are available at www.ets.org/praxis.
 - e. ACT/SAT/Core test scores should be submitted directly to Ashland University or the student must provide an official copy of test scores to the appropriate office.
 - f. Registration for fields and field blocked courses require passing test scores. Students will notice a field registration block if the Test Requirement has not been achieved.
2. Students must have achieved a current 2.5 grade point average (cumulative, content, and professional GPA). Note; Transfer students must meet a 2.5 cumulative grade point average from their previous institution.
3. Students are required to have a baseline Ohio Bureau of Criminal Investigation (BCI) and FBI criminal background check prior to their first field experience at Ashland University. The BCI and FBI background checks must remain current for any additional field experiences.
4. Students enrolled in field experiences and student internship are responsible for providing their own transportation to and from the field site locations.
5. Education students are not permitted to request a school district in which he/she attended or the experience may be compromised by pre-existing relationships with other personnel or pupils (siblings, children, or relatives) who attend the school.

An application for a field must be made through the respective campus field office. Application for a field is separate and different from registration or admission to fields.

Admission to Teacher Education:

1. Sign a "Good Moral Character" statement verifying his or her awareness of the law in order to become licensed in Ohio.
2. Apply for "Admission to Teacher Education" prior to the first junior level methods/field experience course block and comply with the following criteria:
 - a. Satisfactorily complete the Sophomore Field Experience course with a C or better;
 - b. Students must have achieved a current 2.5 grade point average (cumulative, content, and professional GPA).
 - c. Demonstrate proficiency in written English, reading, and basic math skills by satisfactorily completing the College of Education Test Requirement.
 - d. Proficiency in oral communication (successful completion of a Core communication course with a grade of C or higher);
 - e. Meets dispositional guidelines as outlined by the College of Education.

- f. Have a current BCI and FBI criminal background check.
 - g. Note to transfer students. While all students must meet the same criteria to be admitted to Teacher Education, those transferring in with an associate degree or a significant number of credit hours that places them at the level of a mid-sophomore year or above, are not officially admitted into the Teacher Education program, and may not take field or internship courses, until they have successfully submitted evidence of having met the College of Education Test Requirement.
 - h. Special note. Admission to Teacher Education is not an Application to the Junior Field.
3. At the conclusion of the screening process, the student's application will be categorized as one of the following: Approved or Rejected by the College of Education.

Admission to Student Teaching/Internship:

- 1. Complete all required field-based experiences in culturally, racially and socioeconomically diverse urban and non-urban settings:
- 2. Receive approval for student internship after fulfilling the following requirements:
 - a. Application for student internship should be submitted to the Office of Internship and Field Experiences and should be completed two months prior to course registration.
 - b. Students must have achieved a current 2.5 grade point average (cumulative, content, and professional GPA).
 - c. Have a current Ohio BCI and FBI criminal background check
 - d. If a teacher education student is found to be deficient in any of the above, permission to enroll in student internship courses may be denied until the deficiencies are removed.

Exit from Student Teaching-Internship

To successfully complete the internship, the candidate is required to:

- 1. Successfully complete the Impact on Student Learning assignment.
- 2. Successfully complete field requirements.
- 3. Successfully complete all other professional activities required by the College of Education

Recommendation for Licensure:

To be recommended for licensure students must:

- 1. Complete the prescribed program (including student internship).
 - 2. Receive passing scores on the Teacher Licensure Examination.
 - 3. Apply for teaching license within one year of licensure program completion. After one year, additional course work may be necessary.
 - 4. BCI and background checks must be no older that one year at the time they are used for initial licensure.
- Δ Accumulate at least **120** hours in order to graduate. (This number is different for transfer students.) Due to certain course combinations, you may find yourself **BELOW** the required number of hours to graduate. You will then sign up for elective hours. Beginning your freshman year, you should initiate and revise your four-year plan in order to decide if you need to take elective courses. AU's Web Advisor is a recommended site. (www.ashland.edu/academics/webadvisor).
- Δ It is the student's responsibility to inform the Office of Disability Services and Peer Tutoring if special learning accommodations are required for course and/or field work. Teacher education faculty or administrators are not required to make accommodations unless appropriate documentation is on file with the Office of Disability Services. Personnel from Teacher Education as well as the Office of Disability Services work closely to ensure fair and reasonable accommodations for the teacher education student.
