Program Requirements
2015

A student majoring in Dietetics, who is also a candidate for a baccalaureate degree must have completed all the course requirements for that particular degree and must earn 123 semester hours of college work with an overall grade point average (G.P.A.) of not less than 2.0. The grade point average in the Dietetics major field must be at least 2.25 (although a G.P.A. of 3.0 or > is recommended). Students whose semester G.P.A. falls below 2.000 but whose cumulative G.P.A. is above 2.000 will receive a letter of concern from their Academic Advising unit inviting them to review their academic performance and outlining available support services.
