TELEGO CENTER for Educational Improvement

January 8-9 | February 5-6 | March 4-5

2016
The goal of ALAS each weekend is to provide participants with interactive presentations, featuring knowledgeable and experienced presenters, regarding contemporary issues in public education, as they impact the administrative practitioner. The “formula” for meeting this goal is a synthesis of pertinent legal analyses and updates, a review of significant, contemporary experiences from the “field,” and a sustained dialogue regarding effective and emerging leadership strategies.
