Refer to catalog for specific guidelines/course options for Institutional Requirements (CORE). Refer to program evaluation for verification of program progress.

*The Critical Cultural Inquiry (CCI) requirement can be completed by either one value-added foreign language course, an approved study away or study abroad experience, or one CCI course. One slot should be allotted for CORE/CCI, but students completing the requirement with study abroad, can substitute an elective if necessary to reach 120 hours. If students are continuing a language study, it is preferable to take the course during the first semester of the first year.
