

Projected Course Offering Schedule for Biology

Bio 100 Human Biology	1 or 2 sections each sem.
Bio 103 Concepts in Biology	On-line sections offered as needed
Bio 107 Plants and Civilization	1 day section each spring
Bio 110 Ecol. and Hum. Env.	1 or 2 sections each semester
Bio 129 Drugs, Poisons, Pollut., & Risk Percep.	1 day section each fall
Bio 201 The Mol. and Cell. Basis of Life	Multiple day sections each fall, one section in spring
Bio 202 Org., Adaptation, and Diversity	Multiple day sections each spring, one section in fall
Bio 205 General Zoology	1 day section spring of even years
Bio 207 General Botany	1 day section fall of odd years
Bio 215 Field Zoology	1 day section fall of odd years
Bio 219 Entomology	1 day section fall of even years
Bio 222 Health Sciences A&P I	Multiple day sections each fall and spring
Bio 223 Health Sciences A&P II	Multiple day sections each fall and spring
Bio 234 Forensic Science	1 day section spring of odd years
Bio 240 Nursing Microbiology	Multiple day sections each fall and spring
Bio 276 Environmental Science Seminar	1 evening section each spring
Bio 297 Intro to Lab and Field Research	Arranged each semester
Bio 301 Professional Preparation	1 day section each semester
Bio 303 Genetics	1 day section each semester
Bio 304 Journal Club	1 or 2 day sections each fall
Bio 305 Evolution	1 day section fall of even years
Bio 310 Ecology	1 day section fall of odd years
Bio 324 Intro. to Geog. Info. Systems (GIS)	1 day section spring of even years
Bio 325 Anatomy and Physiology I	1 day section each fall
Bio 326 Anatomy and Physiology II	1 day section each spring
Bio 327 Plant Physiology	1 day section spring of even years
Bio 328 Vertebrate Biology	1 day section spring of odd years
Bio 330 Principles of Toxicology	1 day section each fall
Bio 331 Methods in Toxicology	1 day section spring of even years
Bio 332 Toxic Agents	1 day section spring of odd years
Bio 340 Microbiology	2 day sections each spring
Bio 348 Emerging Pathogens	1 day section fall of even years
Bio 411 Limnology	1 day section spring of odd years
Bio 412 Marine Biology	1 day section spring of even years
Bio 423 Pharmacology and Toxicology I	1 day section each fall
Bio 424 Cell Biology	1 day section each fall
Bio 425 Advanced Human Physiology	1 day section each spring
Bio 428 Molecular Biology	1 day section spring of odd years
Bio 429 Biochemistry	1 day section each fall
Bio 433 Pharmacology and Toxicology II	1 day section each spring
Bio 476 Issues in Environmental Science	1 section each spring Bio
Bio 480 Adv. Topics in Biology/Toxicology	Offered occasionally
Bio 493 Professional Internship	Arranged each semester
Bio 495 Biology Senior Seminar	1 day section each spring
Bio 497 Directed Lab and Field Research	Arranged each semester
