## Student Accessibility Center

### Disability Verification Form

Ashland University's Student Accessibility Center (SAC) provides academic resources, services and accommodations for students with diagnosed disabilities. The documentation provided regarding the disability diagnosis must demonstrate a disability covered under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. The ADA defines a disability as a physical or mental impairment that substantially limits one or more major life activities.

The outline below has been developed to assist the student in working with the treating or diagnosing healthcare professional (psychiatrist, psychologist, counselor, therapist, social worker, medical doctor, nurse practitioner, optometrist, speech-language pathologist etc.) in obtaining the specific information to evaluate eligibility for academic accommodations.

- A. The healthcare professional(s) conducting the assessment and/or making the diagnosis must be qualified to do so.** These persons are generally trained, certified, or licensed to diagnosis medical or psychological conditions.
  
- B. All parts of the form should be completed as thoroughly as possible.** Inadequate information, incomplete answers and/or illegible handwriting will delay the eligibility review process by necessitating follow up contact for clarification.
  
- C. The healthcare provider should attach any reports which provide additional related information** (e.g. psycho-educational testing, neuropsychological test results, etc.). If a comprehensive diagnostic report is available that provides the requested information, copies of that report can be submitted for documentation instead of this form.
  
- D. The information you provide will be kept in the student's file at the Student Accessibility Center, where it will be held strictly confidential.** This form may be released to the student at his/her request. In addition to the requested information, please attach any other information you think would be relevant to the student's academic adjustment.

If you have questions regarding this form, please contact Silvia Henriss, Director of the Student Accessibility Center at: 419-289-5904 or [shenriss@ashland.edu](mailto:shenriss@ashland.edu).

Thank you for your assistance.
