ASHLAND UNIVERSITY

BUSINESS INTERNSHIP PROGRAM

WHAT YOU SHOULD KNOW

- Internships can be done during any semester: fall, spring, or summer.
- We require our students to complete at least 225 hours, but most students actually work 400-600 hours. Internships can be spread over multiple semesters or multiple employers.
- Our students will have a multifaceted knowledge of business, as they are required to complete the following core curriculum classes: Financial Accounting, Managerial Accounting, Principles of Microeconomics, Principles of Macroeconomics, Financial Management, Information Technology, Introduction to Management, Operations Management, Business Communication, Business Law, and Principles of Marketing.
- Most internships are paid.
- Our employers have high praise for our students (see select comments).

HERE'S WHAT EMPLOYERS ARE SAYING ABOUT OUR INTERNS...

"We are always searching for exceptional talent to grow our company and its vision within a changing world. AU's Accent on the Individual is apparent with the interns and employees we have hired over the last decade. The unique, entrepreneurial spirit that Ashland students bring to our organization has directly impacted the growth and development of our Fortune 500 Company. We could not be prouder to provide hundreds of different career paths to AU undergrads and graduates- they make our job easy and push the boundary of what's possible for our clients around the world."

-Ethan Oliver, District Manager, Fastenal Company

"At CNG we have had a recent history with employing interns from Ashland University's College of Business. These interns consistently add true value to our organization and have always had great success in their positions. We can confidently say Ashland University students have always shown to be hard working, intelligent individuals, exhibiting a high degree of professionalism with our team. We are very excited to continue our great relationship with Ashland University!"

-Austin Phillips, Technical Sales & Service, Charter Next Generation
