Housing Accommodation Verification Form
(To be completed by the student’s healthcare provider)

Ashland University’s Student Accessibility Center (SAC) working in conjunction with the Office for Residence Life provides housing accommodation for students with diagnosed disabilities, mental health and/or medical conditions verified by a healthcare professional. The documentation provided regarding the diagnosis must demonstrate a specific need for a housing accommodation as well as specific information as to why the University cannot reasonably accommodate the student.

The outline below has been developed to assist the student in working with the treating or diagnosing healthcare professional (psychiatrist, psychologist, counselor, therapist, licensed independent social worker, medical doctor, nurse practitioner, etc.) in obtaining the specific information to evaluate eligibility for housing accommodations.

A. The healthcare professional(s) conducting the assessment and/or making the diagnosis must be qualified to do so. These persons are generally trained, certified, or licensed to diagnosis medical or psychological conditions.

B. All parts of the form should be completed as thoroughly as possible. Inadequate information, incomplete answers and/or illegible handwriting will delay the eligibility review process by necessitating follow up contact for clarification.

C. The information you provide will be kept in the student’s file at the Student Accessibility Center and the Office for Residence Life, where it will be held strictly confidential.
This form may be released to the student at his/her request. In addition to the requested information, please attach any other information you think would be relevant to the student’s housing adjustment.

If you have questions regarding this form, please contact Silvia Henriss, Director, Student Accessibility Center at: 419-289-5904 or shenriss@ashland.edu.

Please note: Students requesting to live off-campus and commute must meet the commuter status criteria set by the University policy available on page 23 of the Student Handbook: https://www.ashland.edu/student-conduct.

For additional information, students can access the Ashland University website at: www.ashland.edu.
