

COLLEGE CREDIT PLUS

Pathways to Earning College Credit

The pathways on this page represent potential ways CCP students may earn college credit. It is important to remember these are only examples. Each student's educational journey is unique to them and may be customized within the parameters of their daily schedule and the requirements of each program. The courses listed below each meet a core or program requirement needed by undergraduate students at Ashland University.

15-HOUR PATHWAY

Course #	Title
ENG 101	English Composition I*
COM 101	Human Communication
