**NOTE:**

1. The English department recommends study of a foreign language to satisfy the CCI requirement and encourages students to consider minoring or double majoring in a language other than English.

2. Students majoring in Creative Writing may add a major in English with 15 semester hours added to their curriculum, the same as a minor.

3. This curriculum guide allows for 39 credits of electives that may be used toward a minor, double major, or both. You may use fewer or more elective credits depending on the program(s) that you pair with the Creative Writing major.

4. A Creative Writing major complements nearly any other major or minor.

Possibilities include Communication Studies, Computer Science, Criminal Justice, Foreign Languages, History, Journalism and Digital Media, Marketing, Philosophy, Political Science, Psychology, Religion, Theatre, and any number of majors in the College of Business and Economics.
