

Emotional Support Animal Housing Accommodation Request

The Student Accessibility Center works in collaboration with the Student Health Center, Counseling Services and Residence Life to meet the needs of students requesting an Emotional Support Animal (ESA) Housing Accommodation.

Requests for an ESA Housing Accommodation can only be made by submitting the following documents, and it is the responsibility of the student to initiate all requests, complete the indicated form, and ensure that a licensed healthcare professional submit the documentation in a timely manner.

PLEASE NOTE: This policy and procedure does not supersede other housing policies or procedures or guarantee a student housing. All criteria for housing must be met as outlined in the Student Handbook and the annual room lottery and selection process.

FORMS TO BE SUBMITTED:

FORM 1: The completed ESA Housing Accommodation Request (student completes this)

FORM 2: The contact information and the completed ESA Verification of Necessity (healthcare provider completes this)

PROCEDURES:

1. The student will file the completed ESA Housing Accommodation Request (Form 1) with the Student Accessibility Center and request supporting documentation from their licensed healthcare provider (ESA Verification of Necessity).
2. The Student Accessibility Center will notify the student of the receipt of the forms and notify the student if any additional information or documentation is needed.
3. Upon receipt of all the necessary documentation, the Housing Accommodation Team (Housing Coordinator, Directors of Counseling/Health Center, and the Student Accessibility Center) will determine whether appropriate reasonable accommodations can be made based on the submitted information. The team will review applications on a regular basis.
4. The Office of Residence Life will notify the student in writing whether or not the accommodation can reasonably be made. This notification will be sent to the student's university email address.
5. Students who need **additional accommodations** or advocacy, should register with the Student Accessibility Center. Please contact: Silvia Henriss, Director, Student Accessibility Center at: shenriss@ashland.edu, or call 419-289-5904.

CONFIDENTIALITY:

The Student Accessibility Center understands the nature of medical confidentiality and privacy laws, if a request for a housing accommodation is to be given full and appropriate consideration, then the above documentation is vital and the ability to contact the certifying professional may be essential. It is the responsibility of the student to notify their professional healthcare provider's office of the need for the above information and to provide that office with any required privacy release documentation. The Student Accessibility Center guarantees that a student's confidentiality will be upheld, and information shared as needed with the Housing Accommodation Review Team members. Documentation provided by the student as part of the Housing Accommodations Review process will be maintained in a confidential manner by the Student Accessibility Center. If a student chooses not to provide an item listed above or to provide no documentation, then the Student Accessibility Center may not be able to proceed with a review of the Housing Accommodation Request.

RIGHTS AND RESPONSIBILITIES OF STUDENTS:

- Students have the right to request an ESA housing accommodation.
- Students have the right to have their request evaluated on a case-by-case basis and have their confidentiality upheld.
- Students are responsible for providing documentation in a timely manner as requested.
- Students requesting an ESA accommodation based on a mental health diagnosis will contact the University Counseling Center and follow through with any recommendations.
- Students requesting accommodations based on a medical diagnosis, or mobility issue will notify the University Health Center and Safety Services to ensure a continuum of care, and attention during emergencies or routine safety alerts.
- Students experiencing any temporary disability due to accident or injury should notify Safety Services to ensure care and attention during emergencies or routine safety alerts.

Students will, at times, need to choose between an available reasonable housing accommodation and social concerns, such as not being able to live with their class cohort, their friends, or in a desired residential building on campus.

SINGLE ROOM ACCOMMODATIONS:

Single room accommodations will be considered when accompanied by appropriate documentation supporting the accommodation. The University reserves the right to make final decisions regarding all single room requests for accommodation purposes and to request additional information when a request is insubstantially supported.

In general, the following diagnoses *may* be cause for single room housing accommodation:

- Disorders Involving Muscular Degeneration
- Immunodeficiency Disorders (or need for chronic medication which significantly impacts immune function)
- Sleep Disorders (a full sleep assessment *including* a sleep disorder lab study will be required)

In general, the following *are not* typically reasons to provide single room housing accommodations:

- | | | |
|-------------|---------------------|---------------------------|
| • ADD/ADHD | • Bi-polar Disorder | • Irritable Bowel Disease |
| • Allergies | • Crohn's Disease | • Migraine Headaches |
| • Arthritis | • Depression | • Traumatic Brain Injury |
| • Asthma | • Eating Disorders | • Diabetes |

Students requiring the use of a Service Dog, and those requesting accommodations for Emotional Support Animals, should submit the following documentation to the Student Accessibility Center:

- Documentation of the licensure of the animal and tags as required by law or local ordinance.
- Documentation that the animal has had appropriate medical exams and vaccinations through a vaccination certificate or letter identifying the animal, and indicating a clean bill of health and current vaccinations from the animal's veterinary healthcare provider.
- For easy identification please provide the name of the animal and a photo.

Students requesting an accommodation for an Emotional Support Animal must also supply additional verification of necessity provided by the student's professional mental health care provider as indicated on the Emotional Support Animal – Verification of Necessity section of this Housing Accommodation Request.

NOTE: All Service Dogs and Emotional Support Animals must comply with the same Code of Conduct required of students on campus.

ANNUAL SUBMISSION AND REVIEW OF HOUSING ACCOMMODATIONS

The Housing Accommodation Request must be submitted on an annual basis, or if there is a change in the accommodation requirement, unless otherwise determined by the Student Accessibility Center. Due to the limited number of residential facilities on campus, we cannot guarantee housing accommodations for requests to be in specific locations or buildings.

To ensure the best opportunity for priority consideration, it is imperative that students submit the application and all requested documentation by the deadlines indicated below:

Returning Students: January 31st for the upcoming academic year.

New Students & Transfers: One month prior to the first day of Fall or Spring classes depending on the semester the student begins.

Housing Accommodation Request Form 2

FORM 2: Provider contact information, signature, and ESA verification of necessity from student's health care provider.

SECTION 1: To be completed by the licensed professional.

Student's Name _____ DOB _____

The above-named student is requesting an ESA housing accommodation at Ashland University. In order to respond to the student's request, Ashland University requires your contact information and completion of the ESA verification of necessity. It is important that you provide detailed information on the verification so the student's request can be given a complete review. Minimal or incomplete information will result in a delayed decision or a denial of the student's request based on insufficient information. The student has been requested to complete a Release of Confidential Information form with your office. Thank you for your time and support in helping this student.

Please complete the contact information and the ESA verification of necessity forms and return to:

Emotional Support Animal - Verification of Necessity

The student listed below has indicated that you can provide discipline - appropriate professional third-party verification that keeping an Emotional Support Animal (ESA) in college-owned housing will be helpful in alleviating one or more identified symptoms or effects of the student's disability, and that the request for an ESA is a legitimate part of the student's treatment plan. So that we may better evaluate the accommodation request for an ESA, please complete this form. Please also note that documentation cannot be provided by a professional who is employed or contracted by Ashland University, or is a relative of the student.

Student's Name: _____

Proposed ESA Name of animal: _____

Type of animal: _____

Age of animal: _____

INFORMATION ABOUT THE STUDENT

A person with a disability is defined as someone who has "a physical or mental impairment that substantially limits one or more major life activities." Please state how the mental health diagnosis (es) for which you are treating this student, relates to the request for an ESA. (It is not necessary to disclose the student's diagnosis.)

How long has the student had this mental health diagnosis?

How long have you been working with the student and how frequently do you meet regarding this mental health diagnosis? _____

Please document the treatment methods you have tried, and that have failed, indicating the necessity of an ESA.

What is the expected duration of the diagnosis? Please circle or write length of time.

Six months One year More than one year Lifelong

Does the student require ongoing treatment?

INFORMATION ABOUT THE PROPOSED EMOTIONAL SUPPORT ANIMAL (ESA)

Is this an animal that you specifically prescribed as part of a treatment plan for the student, or is it an animal that you believe will have a beneficial effect for the student while in residence in college housing?

What symptoms will be reduced by having the ESA?

What evidence is there that an ESA has helped this student in the past or currently helps this student?

In your professional opinion, how important is it for the student's well-being that the ESA be in residence in college housing? What consequences, in terms of disability symptomology, may result if the request is not approved? _____

Have you discussed the responsibilities associated with properly caring for an animal while engaged in typical college activities and residing in college housing? Do you believe those responsibilities might exacerbate the student's symptoms in any way?

Thank you for taking the time to complete this form. If we need additional information, we may contact you at a later date. We recognize that having an ESA in college-owned housing can be of benefit to someone with a significant mental health disorder, but the practical limitations of our housing arrangements make it necessary to carefully consider the impact of the request for an ESA on both the student and the campus community. Please provide contact information, sign and date this form (below), and return the form to:
