

## Course Rotation: Mathematics

MATH 100	Developmental Mathematics	Day sections each semester
MATH 110	Finite Mathematics	One online section as needed (typically each spring semester)
MATH 108	Introductory Statistics	Several day sections each semester At least one summer section
MATH 111	Precalculus	One day section spring of odd years
MATH 201	Applied Calculus I	At least one day section fall of odd years
MATH 202	Applied Calculus II	One day section spring of even years
MATH 205	Calculus I	Day sections each fall
MATH 206	Calculus II	Day sections each spring
MATH 217	Theory of Arithmetic & Geometry	One late afternoon/evening section each fall
MATH 218	Geometry for Middle Grades Teachers	One late afternoon section each spring
MATH 223	Discrete Mathematics I	Day sections each fall
MATH 224	Discrete Mathematics II	One day section each spring
MATH 230	Mathematical Modeling	One day section spring even years
MATH 250	Mathematical Proof	One day section each Spring
MATH 305	Calculus III	One day section each fall
MATH 307	Linear Algebra	One day section each spring
MATH 308	Operations Research	Not on a regular rotation
MATH 309	History of Mathematics	One day section spring odd years
MATH 311	Modern Geometry	One day section fall odd years
MATH 313	Differential Equations	Not on a regular rotation
MATH 317	Probability	One day section fall odd years
MATH 318	Mathematical Statistics	One day section spring even years
MATH 319	Number Theory	Not on a regular rotation
MATH 320	Financial Mathematics	Spring 2024, then one day section spring odd years starting Spring 2027.
MATH 341	Applied Regression Analysis	One day section fall even years
MATH 415	Abstract Algebra	One day section fall even years
MATH 417	Real Analysis	One day section fall odd years
MATH 450	Seminar	One day section each spring
MATH 470	Special Topics in Mathematics	Not on a regular rotation
MATH 610	Complex Analysis	Not on a regular rotation
MATH 620	Abstract Algebra	Not on a regular rotation
MATH 630	Number Theory	Not on a regular rotation
MATH 640	Special Topics	Not on a regular rotation
MATH 650	Combinatorics	Not on a regular rotation
MATH 660	Numerical Analysis	Not on a regular rotation
MATH 670	Statistical Methods	Not on a regular rotation
