

**GENERAL ACADEMIC PROGRAM ARTICULATION AGREEMENT  
BETWEEN  
ASHLAND UNIVERSITY AND NORTH CENTRAL STATE COLLEGE**

**Effective Fall 2019 through Fall 2022**

It is agreed that Ashland University and North Central State College desire to continue a strong academic articulation agreement to enhance the transfer opportunities for students from North Central State College to Ashland University for the completion of a Bachelor's Degree. Moreover, it is agreed that a general academic program articulation agreement is to be followed by the development of specific program advising sheets as appropriate.

**PROVISIONS OF THE GENERAL ACADEMIC  
PROGRAM ARTICULATION AGREEMENT:**

1. A student, who completes an Associate Degree at North Central State College with a minimum of a 2.25/4.0 GPA, will be accepted at Ashland University with junior status, provided he/she has successfully completed a minimum of sixty (60) semester hours (90 – quarter hours) of coursework.
2. Only earned credits are transferable and recorded on an Ashland University transcript. Letter grades and cumulative grade point average do not transfer.
3. North Central State College degree holders may transfer unlimited hours to Ashland University, however, students must meet the following residency requirements:
  - A. At least 30-semester hours of credit must be completed through Ashland University.
  - B. The last 12 semester hours of credit must be completed through Ashland University.
  - C. At least one-half of the student's major requirements must be completed through Ashland University.
4. Admission to Ashland University with junior standing will, in many related programs of study, mean the student will be able to complete his/her baccalaureate degree with two years of full-time study. Some students may be able to graduate in less than two

years if they are willing to continue their studies during Ashland University's summer terms. In certain disciplines, however, because of their sequential nature, careful planning of course work is necessary and more than two years at Ashland University may be needed to complete the Bachelor's Degree.

5. In general, remedial and/or developmental orientation courses are not generally transferable to Ashland University and do not meet graduation requirements. Usually, courses numbered 100 and above are transferable as either course-specific or general-elective credit. Technical courses, which do not match up with any Ashland University catalog course, will transfer as general-elective credit. In addition to the regular offerings of North Central State College, courses eligible for transfer include those offered through their off-campus location, and through their video-based program.
6. Students transferring to Ashland University must complete all of Ashland University's Institutional Baccalaureate Degree Requirements through transfer credit and Ashland University credit where applicable.
7. North Central State College degree holders with credits earned at one or more other institutions may transfer those credits to Ashland University subject to Ashland University's transfer policy.
8. A student who has earned credits at North Central State College but who has not earned a degree may also apply to Ashland University as a transfer student, subject to transfer regulations in effect at Ashland University. Generally, these requirements include proof of high school graduation (official High School transcripts or G.E.D.) and official college transcripts. Grades of C- or better are accepted with no earned degree.
9. Ashland University offers pre-transfer academic advising in order to ensure that the North Central State College student is able to transfer his/her credits in the best manner possible. This is unofficial; an official evaluation takes place upon enrollment at Ashland University.
10. Students wishing to transfer to Ashland University, with or without an Associate Degree from North Central State College, may be eligible for federal, state and institutional financial aid. Qualified students may be eligible to receive the Ashland University Transfer Scholarship with the appropriate grade point average and appropriate semester hours of credit. This will be based on all grades earned from all schools attended. The Transfer Scholarship is only available to full-time students attending classes on the main campus.
11. Students transferring with less than 30 semester hours of transferable credit will transfer as freshmen. Students transferring with 30-59 semester hours of transferable credit will transfer as sophomores. Students transferring with 60-89 semester hours of transferable credit will transfer as juniors. Students transferring with 90 semester hours or more of transferable credit will transfer as seniors.
12. North Central State College and Ashland University agree to participate in regular review of program requirements and appropriate advising procedures, and make

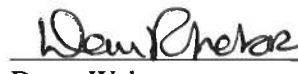

adjustments or amendments as deemed appropriate to maintain the integrity of each institution as well as for the improvement of the transfer process. Such changes will not adversely affect students already enrolled and covered under the provisions of the existing agreement.

This articulation agreement will be effective immediately after the representatives of both institutions sign the agreement. It may be modified upon mutual agreement; it may be terminated by either institution upon written notice to the other.

\* Credit hours used to satisfy the CJ core requirements of the AU major cannot be used in fulfillment of either the General Track or one of the specialized tracks (commonly known as "double-dipping").

\*\* The concentration requirement can be met through the completion of a 12-18 hour minor from another discipline, a second major in another area, or a collection of 18 hours from no more than two other departments that support the student's interests. All concentrations must be approved by the chair of the Department of Criminal Justice and Sociology.

\*\*\* Students may take up to a combined total of 12 hours in CJ 403/399. 3 hours of CJ 403 can count towards the core requirements of the major with an additional 3 hours of CJ 403 counting towards the general track or a specialized track. Alternatively, 6 hours of CJ 399 can count towards the general track or a specialized track. An additional 6 hours of CJ 403/399 (up to a total of 12 hours) may be used to fulfill general elective requirements.

## ANTICIPATED—Two-Year Guide at North Central State College

### Associate Degree in Criminal Justice

All Criminal Justice pathways at NCSC are presumed to include the following courses, all of which transfer as credit to AU (see pages 1 and 2 for equivalencies). Other required courses for each pathway will vary (see next page).

**Key:**

**Bold courses = count toward AU Core or major requirements (recommended)**

Underlined courses = count toward a potential minor (i.e. sociology, social work)

Course	Course Title	Credit Hours
<b>CRMJ 1010</b>	Intro to CJ & U.S. Judicial Systems	3
<b>COMM 1010</b>	Speech	3
<b>ENGL 1010</b>	English Composition I	3
<b>PSYC 1010</b>	Intro to Psychology	3
<b>STAT 1010</b>	Probability and Statistics	3
<b>SOCY 1010*</b>	Intro to Sociology	3
<b>CRMJ 1090</b>	Juvenile Delinquency	4
<b>CRMJ 1130</b>	Intro to Corrections	3
<b>CRMJ 2010</b>	Criminology	3
	<b>Subtotal</b>	<b>28 hrs.</b>

\*SOCY 1010 recommended for Social Studies elective of Police Academy pathway. Counts toward SOCY minor.

\*\*Basic Electives (required for the A.A.S. Criminal Justice Pathway) are listed below. CRMJ 2050 Drug Recognition is equivalent to SOC 202 Alcoholism and Substance Abuse, so it is recommended as credit toward a sociology minor. One additional elective is also required for the associate's degree.

- |                    |             |             |             |

\*\*Basic Electives for the CJ – Law Enforcement Pathway are listed below. The chart above presumes that CJ – Law Enforcement students have taken CRMJ 1130 and CRMJ 2010 as basic electives because they transfer as credit toward the major; however, students planning to pursue a minor in sociology may decide to take CRMJ 2050 Drug Recognition as an equivalent to SOC 202 Alcoholism and Substance Abuse.

- |                    |                    |                    |             |

#### POLICE ACADEMY GRADUATES

IF a student has graduated from an OPOTA Police Academy AND has passed the state exam AND works in the field, they get the following credit:

- |                                                   |                                                  |
|---------------------------------------------------|--------------------------------------------------|
| 3 hrs CJ 200 (Criminal Investigations)            | 6 hrs Core Social Sciences (SOC 111 and SOC 301) |
| 3 hrs CJ 331 (Topics: Current Issues in Policing) | 3 hrs Core Natural Science (CHEM 252)            |
| 3 hrs General Elective Credit                     | 12 hrs CJ 403 (Field Experience)                 |

Again, ALL of the conditions must be met.

This agreement presumes that students have taken a minimum of 60 hours and will complete 30-33 hours in the Criminal Justice major at Ashland University.

The CJ Transfer Pathway agreement presumes that AU's composition, communication, math/logic, historical reasoning, natural sciences, humanities, and social sciences requirements have been fulfilled. It also presumes that the humanities requirement has been fulfilled (although presumption is students have fulfilled the humanities requirements, they may opt to fulfill the CCI requirement by taking one Spanish course and one-half of the humanities requirements by taking one English course). It presumes that two of the six CJ elective course requirements will have been met and two Sociology courses have been taken (SOCY 1010 & 2010) toward a 12-hour Sociology minor to meet the concentration requirement.

A minor may serve as the 12-18 hour concentration required to complete the comprehensive Bachelor's in Criminal Justice. Transfer students will have taken SOCY 1010 and may take 9 hours toward a 12-hour SOC minor at AU. If pursuing a Child and Family Studies minor, students will need 12 hours more (have SOCWK 305) out of a 15-hour minor. If pursuing Social Work, students need 12 hours (having taken SOCY 1010 and CRMJ 1070) toward the 18-hour minor. If pursuing a Child and Family Studies minor, students will need 12 hours more (have SOCWK 305) out of a 15-hour minor. If pursuing Social Work, students need 12 hours (having taken SOCY 1010 and CRMJ 1070) toward the 18-hour minor. This rotation presumes that some, but not all, of the courses listed with equivalencies have been taken at NCSC. The combined A.A.S. CJ Pathway and the CJ – Law Enforcement Pathway presumes that AU's communication, math/logic, and social sciences requirements have been met, and that one-half of the composition and humanities requirements have been met.
