REFERRALS | 19

TODOS | 1,989

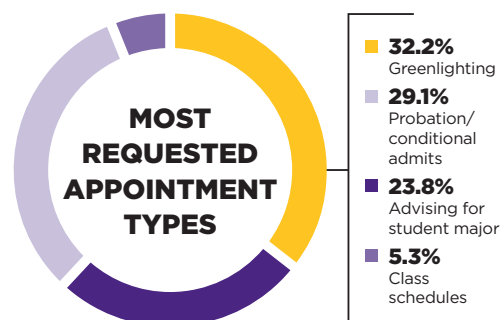

■ Manually 2,827

■ System 82

■ Survey 5,123

*GPA Previous Term = Student total GPA coming into any term. For Fall – any new freshman will have his or her high school GPA as this value. Any new transfer student will be calculated similarly – total GPA from previous institution

**Credit Ratio = This value represents the total number of credits attempted and completed. Example: 84% of this student's credits attempted were completed for the term

- **32.2%** Greenlighting
- **29.1%** Probation/conditional admits
- **23.8%** Advising for student major
- **5.3%** Class schedules

Total Unique Students = Students who have been designated in SOAR Network as being flagged with a concern, referral or kudo.

- Flag – Any concern noted in SOAR Network (attendance, social, behavioral, etc.)
- Referral – when a student is referred to a supportive service in SOAR Network
- Kudo – Notices of praise and a job well done

Total unique students with a Flag or Kudos **1,844**

Average number of Flags per student **3.05**

Average number of Kudos per student **0.25**
