

ASSEMBLY LOCATIONS

Primary Responders:

AU Safety Services: **on campus** **5555 or 911**
 off campus **(419) 207-5555**

Ashland City Police/Fire: **911** **(involvement determined by primary AU responders)**

Note: 911 calls made from an AU extension are routed through AU Safety Services. 911 calls from cell phones, off campus phones, or by dialing 8-911 from an on campus phone will access the Ashland County 911 system directly.

All AU buildings have a primary, secondary and tertiary assembly location. The primary location is another building adjacent to, or relatively close, to the building. This location is used for building specific, or very localized, evacuations. The secondary assembly location is the Rec. Center because of back up emergency power. The tertiary assembly location for all buildings is Jack Miller Stadium. The nature of the emergency and availability of the assembly location will determine which one you should evacuate to. Seminary locations will differ (see below).

Assembly Locations (Main Campus):

<u>Building</u>	<u>Primary</u>	<u>Secondary</u>	<u>Tertiary</u>
Amstutz Hall	Upper Convo	Rec. Center	Jack Miller Stadium
Andrews Hall	Upper Convo	Rec. Center	Jack Miller Stadium
Bixler Hall	HCSC Auditorium	Rec. Center	Jack Miller Stadium
Chapel	HCSC Auditorium	Rec. Center	Jack Miller Stadium
Clark Hall	Redwood	Rec. Center	Jack Miller Stadium
Clayton Hall	Rec. Center	Rec. Center	Jack Miller Stadium
College of Education (Schar)	Hugo Young Theater	Rec. Center	Jack Miller Stadium
College of Fine Arts	Redwood	Rec. Center	Jack Miller Stadium

Assembly Locations (Schar College of Nursing):

<u>Building</u>	<u>Primary</u>	<u>Secondary</u>	<u>Tertiary</u>
Main Building	Community Room (upper residence hall)	Quad (by flag)	
1081 Marion (upper)	CON Main Bldg.	Quad (by flag)	
1071 Marion (lower)	CON Main Bldg.	Quad (by flag)	

Important Considerations:

- For catastrophic emergencies, the Ashland University Theological campus community should assemble at the AU main campus rec. center or quad (whichever is operational).
- For fire drills (or very short term evacuations) during inclement weather, occupants may be directed to an adjacent building not listed as an assembly location.
- Please refer to the Emergency Communications section for a more comprehensive list of communication outlets.
