

**GENERAL ACADEMIC PROGRAM ARTICULATION AGREEMENT
BETWEEN
ASHLAND UNIVERSITY AND NORTH CENTRAL STATE COLLEGE**

Effective Fall 2019 through Fall 2022

It is agreed that Ashland University and North Central State College desire to continue a strong academic articulation agreement to enhance the transfer opportunities for students from North Central State College to Ashland University for the completion of a Bachelor's Degree. Moreover, it is agreed that a general academic program articulation agreement is to be followed by the development of specific program advising sheets as appropriate.

**PROVISIONS OF THE GENERAL ACADEMIC
PROGRAM ARTICULATION AGREEMENT:**

1. A student, who completes an Associate Degree at North Central State College with a minimum of a 2.25/4.0 GPA, will be accepted at Ashland University with junior status, provided he/she has successfully completed a minimum of sixty (60) semester hours (90 – quarter hours) of coursework.
2. Only earned credits are transferable and recorded on an Ashland University transcript. Letter grades and cumulative grade point average do not transfer.
3. North Central State College degree holders may transfer unlimited hours to Ashland University, however, students must meet the following residency requirements:
 - A. At least 30-semester hours of credit must be completed through Ashland University.
 - B. The last 12 semester hours of credit must be completed through Ashland University.
 - C. At least one-half of the student's major requirements must be completed through Ashland University.
4. Admission to Ashland University with junior standing will, in many related programs of study, mean the student will be able to complete his/her baccalaureate degree with two years of full-time study. Some students may be able to graduate in less than two years if they are willing to continue their studies during Ashland University's summer

terms. In certain disciplines, however, because of their sequential nature, careful prior planning of course work is necessary and more than two years at Ashland University may be needed to complete the Bachelor's Degree.

5. In general, remedial and/or developmental orientation courses are not generally transferable to Ashland University and do not meet graduation requirements. Usually, courses numbered 100 and above are transferable as either course-specific or general-elective credit. Technical courses, which do not match up with any Ashland University catalog course, will transfer as general-elective credit. In addition to the regular offerings of North Central State College, courses eligible for transfer include those offered through their off-campus location, and through their video-based program.
6. Students transferring to Ashland University must complete all of Ashland University's Institutional Baccalaureate Degree Requirements through transfer credit and Ashland University credit where applicable.
7. North Central State College degree holders with credits earned at one or more other institutions may transfer those credits to Ashland University subject to Ashland University's transfer policy.
8. A student who has earned credits at North Central State College but who has not earned a degree may also apply to Ashland University as a transfer student, subject to transfer regulations in effect at Ashland University. Generally, these requirements include proof of high school graduation (official High School transcripts or G.E.D.) and official college transcripts. Grades of C- or better are accepted with no earned degree.
9. Ashland University offers pre-transfer academic advising in order to ensure that the North Central State College student is able to transfer his/her credits in the best manner possible. This is unofficial; an official evaluation takes place upon enrollment at Ashland University.
10. Students wishing to transfer to Ashland University, with or without an Associate Degree from North Central State College, may be eligible for federal, state and institutional financial aid. Qualified students may be eligible to receive the Ashland University Transfer Scholarship with the appropriate grade point average and appropriate semester hours of credit. This will be based on all grades earned from all schools attended. The Transfer Scholarship is only available to full-time students attending classes on the main campus.
11. Students transferring with less than 30 semester hours of transferable credit will transfer as freshman. Students transferring with 30-59 semester hours of transferable credit will transfer as sophomores. Students transferring with 60-89 semester hours of transferable credit will transfer as juniors. Students transferring with 90 semester hours or more of transferable credit will transfer as seniors.
12. North Central State College and Ashland University agree to participate in regular review of program requirements and appropriate advising procedures, and make

adjustments or amendments as deemed appropriate to maintain the integrity of each institution as well as for the improvement of the transfer process. Such changes will not adversely affect students already enrolled and covered under the provisions of the existing agreement.

This articulation agreement will be effective immediately after the representatives of both institutions sign the agreement. It may be modified upon mutual agreement; it may be terminated by either institution upon written notice to the other.

In WITNESS WHEREOF, the parties involved in the Agreement place their signatures below.

	TOTAL			62-63
Add'l to NCSC requirements	SOCY 1010 Intro to Soc.			3

Humanities Electives for the A.A.S. Human & Social Work Services

- **PHIL 1110**
- **HIST 1010**
- **HIST 1030**
- *PHIL 1010*

Basic Electives for the A.A.S. Human & Social Work Services. CRMJ 1070 and SOCY 2010 transfer as credit toward the major. CRMJ 1090 and HMSV 2150 count toward the criminal justice or sociology minors.

- **CRMJ 1070**
- **SOCY 2010**
- CRMJ 1090
- HMSV 2150
- HMSV 2120
- HMSV 2160
- PSYC 1090
- PSYC 2050

*Students who take a human biology course (BIOL 1710) at NCSC will satisfy both the AU Natural Science core requirement and the Social Work B.S. major requirement. Those who don't will need to take BIO 100 at AU as part of the SOCWK major. If a non-human biology course from this agreement is selected at NCSC, it will meet the core requirement, but not the Social Work requirement.

SUGGESTED—Two-Year Guide at Ashland University
Associate of Applied Science: Human Services toward a
Bachelor of Science with a Comprehensive Major in Social Work

1st Year		Fall Semester		Spring Semester	
SOCWK 230	Global Human Rights & Social Justice (fall only)	3	SOCWK 360	Research Methods in the Social Sciences (spring only)	3
BIO 100	Human Biology	4	SOCWK 312	Social Work Practice II (spring only)	3
SOCWK 310	Social Work Practice (fall only)	3	SOCWK 306	Social Environment and Human Behavior (spring only)	3
CCI	Institutional Requirement	3	HUMANITIES	Institutional Requirement	3
			COMMUNICA TION	Institutional Requirement	3
		13			15

2nd Year		Fall Semester		Spring Semester	
SOCWK 408	Social Policy Development & Analysis (fall only)	3	SOCWK 418	Field Instruction (spring only)	12
SOCWK 412	Social Work Community Practice (fall only)	3	SOCWK 419	Field Seminar (spring only)	3
AESTHETICS	Institutional Requirement	3			
HISTORICAL REASONING	Institutional Requirement	3			
AESTHETICS	Institutional Requirement	3			
SOCWK 417	Pre-Practicum Seminar	1			
RELIGION	Institutional Requirement	3			
		19			15
				TOTAL	62 hrs.

This rotation presumes that some, but not all, of the courses listed with equivalencies have been taken at NCSC. For the A.A.S. Human & Social Work Services Pathway, it presumes that AU's composition, math/logic, and social sciences requirements have been met, and that one-half of the natural sciences and humanities requirements have been met.

The following courses from the A.A.S. Human & Social Work Services Pathway transfer to AU as Social Work elective credit and may be applied to the major contingent on consultation with the department: HMSV 1030 Human Services Assessments, HMSV 1090 Group Work in Human Services, HMSV 2030 Introduction to Case Management, HMSV 2070 Practicum/Seminar II, HMSV 2110 Poverty & Social Welfare, HMSV 2120 Human Disabilities, HMSV 2160 Substance Abuse Counseling: Core Functions.

The Associate of Applied Science: Human Services requires the completion of 62-63 credit hours. This agreement assumes that students have taken the minimum number of courses for each degree and any additional courses suggested by Ashland University, and will complete a min. of 37 hours (half of the Social Work major) at Ashland University. For those students who have not followed the recommendations, it may take more than four full-time semesters to complete the program. There are other equivalent Core courses that could be taken at NCSC beyond NCSC degree requirements to reduce this likelihood.
