

All applicants applying to the Ashland University Master of Science in Physician Assistant Studies Program are required to complete Acuity Insights Assessments (CASPER) for the 2025-2026 admissions cycle.

Acuity Insights Assessments (CASPER) is a standardized, multi-part online assessment that measures different competencies and attributes that we believe are important for successful students and graduates of our program. These assessments will complement the other tools that we use for applicant review and evaluation. In implementing Acuity Insights Assessments (CASPER), we are trying to further enhance fairness and objectivity in our selection process.

Acuity Insights Assessments consists of:

- [Casper](#): 90-110 minute online, open-response situational judgment test

How to complete the assessments

In order to take the assessments, you will be responsible for securing access to a laptop or desktop computer with webcam and audio capabilities and a reliable internet connection with an internet speed of at least 1.5 Mbps and upload speed of at least 2 Mbps. You will require the following for both account creation and completing Acuity Insights Assessments::

- Government-issued photo ID for account validation
 - Valid email address (the same one you will use to submit your CASPA application)
 - Desktop or laptop computer
 - Working webcam
 - Working microphone
 - Reliable high-speed internet connection
1. Please go to www.acuityinsights.app to sign up for Acuity Insights Assessments (CASPER) for CSP-10101: Professional Health Sciences, under your specific country, and register using your CASPA ID Number and a piece of government-issued photo ID.
 2. Select a Casper test date. You will be provided with a limited number of testing dates and times, which have been pre-arranged/approved by your program(s) in accordance with their admissions timelines. Please note that these are the only testing dates available for your Casper test based on your program selection(s). There will be no additional tests scheduled. Please use an email address that you check regularly and that you have used for your application; there may be updates to the test schedule.

- Important: To account for identity verification and payment processing timelines, ensure that you **register for your test at least 3 days before your preferred test date and time**. Last-minute bookings are not recommended.
1. Ensure you have **selected “Ashland University Master of Science in Physician Assistant Studies Program” for distribution before the posted distribution deadline**.
