

ASHLAND
UNIVERSITY

Dean's Scholarship: EMERGING GRADUATE LEADER

Recipients of the Dean's Scholarship: Emerging Graduate Leader will gain the opportunity to join unique academic communities that promote engagement with faculty and focus on career coaching and preparation. This scholarship is available to new students pursuing a graduate degree from Ashland University's Dauch College of Business & Economics. (COBE)

Students can receive \$2,000 per academic year for two years.

■ Requirements

- Admitted to the graduate program
- Bachelor's or transfer GPA of 3.0 or higher or professional achievement
- Formal interview
- Minimum 3.0 GPA to maintain the scholarship

■ Opportunities

- Attend COBE-related lectures or events each semester
- Engage with COBE social media
- Serve as a mentor/leader to fellow students
- Advise the dean on special projects

Master of Business Administration

Ashland University's MBA program is designed to provide flexibility in terms of curriculum, delivery, learning style, location and pace through the program. We offer more than a dozen specializations to meet your needs as a professional and help you fit your studies into your life.

Master of Science in Business Analytics

The Master of Science in Business Analytics program directly prepares students for advanced entry into a career as a business analyst or data scientist. It equips students with data analytics and business intelligence skills, including analytical modeling, forecasting, predictions, AI and machine learning.

Master of Science in Supply Chain Management

The Master of Science in Supply Chain Management program encompasses the total systems approach required by companies, suppliers and partners to deliver manufactured products and services to the end customer. We empower you to become a leader in the global supply chain environment.
