UNDERGRADUATE TEACHER EDUCATION

Bachelor of Science in Education Initial Licensure Requirements 2025-2026

MIDDLE CHILDHOOD (4-9) <u>Social Studies and Math Concentration</u> Academic Plan

Introduction to the Student:

Welcome to Ashland University Teacher Education. You have expressed a desire to matriculate in one of our licensure programs. There are four categories of expectations during your time in teacher education:

- Institutional Core Requirements
- Major Course Requirements
- Teacher Education eligibility requirements
- Teacher Education field and clinical requirements

This plan outlines those expectations in each of those categories. In addition, the plan provides teacher education or university offices where you can get further clarification. It is your responsibility to understand all expectations and work closely with your advisor in order to successfully fulfill these expectations.

Please keep a copy of this plan in your records and keep it continually updated. You SHOULD bring your copy with you when you meet with your advisor or other department personnel.

Introduction to the Faculty Advisor:

- At your first meeting with the student, please distribute a copy of this plan to the student.
- The student SHOULD sign and date the official plan upon its receipt.
- Continue to update the plan as the student proceeds in the program.

If a student is changing his or her licensure area (and, hence, their plan) please follow the verification procedure, below, and be sure the new plan is filed in the student's cumulative file along with the old plan.

	VERIFICATION	ON OF RECEIPT:	
I have received a copy of the	is academic plan, and I und	erstand that if I change my licensure are	a
I will have to obtain the app	propriate plan from a Teach	er Education department office.	
Student Signature	Advisor	Date	

Academic Plan for:		Student #	Catalog Yr
	Name		

Policies related to Maintaining Good Standing in the Teacher Education Program:

- 1. The student is expected to achieve a minimum 2.5 GPA for the Institutional and Major GPAs for all programs; and Concentrations GPAs for Middle Grades licenses.
- 2. If, at any time, the student's Institutional GPA, Major GPA, and/or Concentrations for Middle Grades GPA's fall below the 2.5 requirement, the student must meet with his or her faculty advisor and complete the "Student Interview and Action Plan Form." This form requires that the student meets with their academic advisor and develop an action plan. This form is to be signed by the student, faculty advisor, and the department chair. This form is to be kept by the faculty advisor and a copy is to be submitted to the Director of Quality Assurance and Accreditation in the College of Education
- 3. A grade of C or higher is required in each professional education course required for the Licensure Program. Any teacher education student who receives a grade lower than a C must retake the course.

College of Education Program Gateways

All education students must meet the requirements for a set of distinct and specific Gateways throughout their programs. These Gateways ensure that students are meeting both internal and external expectations for successful program completion, as well as state/national accreditation standards and Ohio teacher licensure requirements.

- Gateway I Admission to first field experience
- Gateway II Admission to Teacher Education
- Gateway III Admission to Internship (aka, Student Teaching)
- Gateway IV Exit from Internship
- Gateway V Recommendation for Licensure

Gateway requirements* may include:

- Meeting application deadlines
- Following program outlines by enrolling in/completing appropriate courses
- Successfully meeting course minimum grades
- Meeting all College of Education program and testing requirements
- Submitting current and/or updated Bureau of Criminal Investigation (BCI) and Federal Bureau of Investigation (FBI) background checks
- · Achieving an overall minimum GPA
- Achieving minimum GPAs for program(s)/specialty area(s)

*See the COE Field Website page for more information.

MIDDLE CHILDHOOD (4-9) <u>Social Studies and Math Concentration</u> Institutional Baccalaureate Degree Requirements

	Category	Course	Sem. Hours
	Composition I	ENG 101 English Composition I	3
	Composition II	ENG 102 English Composition II	3
	Communication	COM 101 Human Communication	3
	received a C or higher for C dmission into Teacher Educa	communications or an equivalent course. (C or higher requation.	ired for
N	Math/ Logic	MATH 217-Theory of Arith/Geom.	3
*	Teacher Education requirem	nents will meet this core requirement	
	Religion	Student choice	3
~	Social Studies concentration requi	irement will meet this core requirement.	
A	Aesthetic	Student choice	6
	Iumanities	Student choice	6
	Natural Science	Student choice	6
