* The Core CCI and History Foreign Language/Study Abroad requirements can be satisfied in different ways. This plan shows only the language option; you should discuss study abroad options with your faculty advisor. Depending on your background in language study, your requirements may be fewer than those shown. The Political Science Foreign Language/Study Abroad requirement is included in the major and grades are calculated in the major gpa. This curriculum guide is one, but not the only example of how to complete the degree, major, and minor requirements in 4 years. Nine hours of non-western history is required for history electives. The history major allows expansion of a minor into a second major.
