

Summer Math Institute

June 22-26

In-Person, Accommodations Included!

Made possible by: The Martha Holden Jennings Foundation

Grades 4-8 Math Educators: **5 Days, 3 Grad Credits, NO COST!**

Ohio's Plan for K-12 Mathematics sets a statewide vision for high-quality, research-based math instruction. The Summer Math Institute at Ashland University aligns with this plan, and will help strengthen your knowledge and classroom practices, ensuring your students have access to effective, impactful math learning.

Lead the Way in High-Quality Math Instruction!

Selected Educators will receive:

- On-campus apartment lodging and meals at Ashland University (4 nights, 5 days). Recommended but optional.
- High-quality PD facilitated by experts in K-12 Math from across Ohio, HQIM from Stanford's Jo Boaler, and NCTM.
- 3 Graduate Credits from AU.
- \$100 Stipend.
