ENGLISH MAJOR + CORE + ELECTIVES IN THE MINOR = 120 HOURS					

NOTE:

1. The English department recommends study of a foreign language to satisfy the CCI requirement and encourages students to consider minoring in a language other than English.
2. Students majoring in English may add a major in Creative Writing with 18 semester hours added to their curriculum, the same as a minor.

3. This curriculum guide allows for 51 credits of electives that may be used toward a minor, double major, or both. You may use fewer or more elective credits depending on the program(s) that you pair with the English major.

4. An English major complements nearly any other major or minor. Possibilities include Communication Studies, Computer Science, Creative Writing, Criminal Justice, Foreign Languages, History, Journalism and Digital Media, Marketing, Philosophy, Political Science, Psychology, Religion, and any number of majors in the College of Business and Economics.
