Singles Or Doubles Play

- Cornhole can be played as doubles or singles. In doubles play two contestants are partners against another team of two contestants; in singles play a contestant competes against another contestant. In doubles play, one member of each team pitches from one cornhole platform and the other members pitch from the other cornhole platform. In singles play, both contestants pitch from the same cornhole platform. All other rules are basically the same for doubles or singles play.

Innings

- Every Cornhole / Corn Toss match is broken down into innings of play. During each inning of play each contestant must pitch all four corn bags.

Value Of The Corn Bag

- Corn Bag In-The-Hole - A corn bag in-the-hole (or Hole-In) is a corn bag which is thrown through the hole in the cornhole platform or otherwise comes to rest inside the cornhole platform (knocked in by another player or an act of God). A corn bag in-the-hole has a value of three points.
- Corn Bag In-The-Count - A corn bag that is not in-the-hole but lands with any portion of the corn bag resting on the cornhole platform is in-the-count. A corn bag in-the-count has a value of one point. For a corn bag to be in-the-count, it must not touch the ground or any other portion of the court prior to coming to rest on the cornhole platform. If a corn bag touches the ground before coming to rest on the cornhole platform, it is a foul and must be removed from the cornhole platform prior to the continuation of play.
- Corn Bag Out-Of-The-Count - A corn bag which comes to rest anywhere except in-the-count or in-the-hole is out-of-the-count and has no scoring value. A corn bag which is declared to be a foul is considered to be out-of-the-count (no matter where it comes to rest) and must be removed from the cornhole surface prior to the continuation of play.
**Delivery Of Corn Bags**

- In doubles play, the first side of contestants alternate pitching corn bags until they have thrown all four corn bags, then the remaining contestant (pitching from the other cornhole platform) continue to alternate in the same manner until all four corn bags are delivered and the inning completed. Delivery in singles play is handled in the same manner (but from the same platform) with each of the two contestants alternating their pitching of corn bags until all four corn bags have been pitched completing the inning.
- A contestant may deliver the corn bag from either the left or right pitchers box (see above) but, in any one inning, all corn bags must be delivered from the same pitcher’s box. A contestant shall pitch the entire tournament with the same hand or arm, except in the case of a medical emergency.
- Each individual contestant shall deliver the corn bag within 20 seconds. The time shall start when the contestant steps onto the pitcher’s box with the intention of pitching.

**Pitching Rotation During The Game** - The contestant who scored in the preceding inning shall pitch first in the next inning. If neither pitcher scores, the contestant who pitched second (last) in the preceding inning shall pitch first in the next inning.
