March 18, 2020

Dear AU Students,

Due to the Coronavirus and to protect the health of our Ashland University community, we are suspending face-to-face workshops, appointments and walk-in hours. As all classes and instruction will continue to be offered in virtual settings through the conclusion of the semester, including finals. The Career Services Team will continue to offer career support to all students during this time of transition. Our first priority is your health, safety and well-being.

We understand that many seniors are preparing for classes as well as job seeking and/or preparing for graduate or professional school and we want you to know that we’re here for you! Ashland University Career Services Center (CSC) is operating as normal via email and phone as well as virtually. We are prepared to offer our appointments, meetings, and workshops via virtual. We have enclosed our contact information as well as ways we can assist you individually. It is important for all students, graduates, alumni, faculty/staff and employers to be able to utilize our services while away from campus.

We are here for The Eagle Nation to assist you with your career journey! Please visit https://www.ashland.edu/covid-19 for additional University updates.

Warmest Regards,

Lenroy Jones, Executive Director
Ashland University Career Services Center

P.S. Please continue to visit our website regularly for updates, online resources, virtual webinars and any other career-related information.
